RE: GREENPOINT RECOMMENDATION

With great pleasure I recommend the services of Robert Sposari and the Greenpoint Construction Group.

I have known Robert Sposari for 5 years, having first met Robert as the Project Director involved in the construction of a 61 bed aged care facility, with 26 apartments (Independent Living Units) in Wahroonga. This project had considerable complexity as it was built in and around an existing and functioning aged care facility. The professional attitude displayed by Robert and his colleagues allowed for this project to be completed with minimum disruption.

Robert and Greenpoint have recently been involved with a fitout for the Musica Viva head office in Sydney for AJ+C. Greenpoint provided AJ+C with cost analysis at the early sketch design phases. Greenpoint won the construction tender, and completed the project in August 2007. Musica Viva is very happy with their performance.

I recommend Robert Sposari as a builder of honesty, integrity and skill. Robert is reliable and highly capable of producing quality projects that are managed with a great level of professionalism.

Yours faithfully
